A Series of Coups Effected With Reue. Kennard, Lady Albereruft, Setauket and Sattre on a Muddy Track and in a Steady Rain at the Gravesend Races

Old England won the Preninces Stakes for three-year-olds at Gravesend yesterday almost entirely on his own courage. Green B. Morris's noted Goldfinch-Queen Bess gelding was ridden by Lee Jackson, whose inferior work in the Withers Stakes was sucribed as the chief reason for Old England's defeat by Compute Jackson messed the crack three-year-old all over the track in yesterday's race, yet the gelding in a superb sprint at the finish defeated tien. F. C. MeLewee's Major Daingerfield by a nose With a hustling, cool-hended rider such as O'Con-nor or Burns in the saddle, Old England would probably have won by a length or more. The race, for horses that had not wen an event valued at \$2,500 with the weights eight pounds below the scale, was at a mile and seventy yards and drew an interesting field. Oid England opened favorite at 8 to 5, but receded a point as there was a rush to take 5 to ? against August Belmont's Namtor which made Hastings colt the choice at \$ to 5 post odds Gen. McLewee's Major Daingerfield and Hindred were coupled at fours. The start was all that could be asked for and Jackson lost no time in rushing Old England to the front. The Goldfinch gelding was full of life and running and led up the backstretch, with Jackson sitting still. Namtor and Sun Shower took the pace readily but at the be-Robert Metcalf Morokanta Kingraine ginning of the far turn O'Connor moved up ith Major Daingerfield so quickly that the latter was challenging Old England when the latter was challenging Old Later was top of the stretch was reached. Both drew away, too, but Jackson allowed Old England to swing wide, carrying Major Daingerfield That allowed Builman to come through on the rail with Namtor who for a moment, looked dangerous, but when both Old England and Major Daingerfield were straightened out they quickly drew away again for a decisive and exciting duel O'Connor put up a skilful ride, but Jackson looked as if he was in a state of perturbation. He shook the bridle a bit and then hung on. Thornycroft Knight Templar Major Daingerfield had half a length the best of it opposite the new field stand, but then Old England took the bit in his teeth and with tremendous strides he cut down his rival's dvantage O'Connor went to the whip, but Jackson did nothing. Old England continued to run on his own courage and in the final stride he won by a nose in 1 45 4-5. Namtor was half a dozen lengths buck and eight

was half a dozen lengths back and eight lengths before Bon Mot.

It was a most disagreeable day at Gravesend The rain fell incessantly and the track was fetlock deep in soft, blinding mud While but one favortic won, the ring was hit hard, as there were several killings of large dimensions. Probably the most successful was in the sixth event, for mares and geldings at about six furlengs. Though Thomas Hitencock, Jr.'s Rossignol was a strong favorite at 11 to 10, the men of mystery and wisdom got aboard F. H. Milden, Jr.'s Roue, a three-year-old gelding by Inverness-Flirt As much a 10 to 1 appeared on the slates in the about six furiongs. Lucille has recovered from her last season's injury and is expected to be faster than ever this year. Little Boy is pointed for the record held by Star Pointer—159, and some day when fit and the conditions favor, McCoy is to try him to sulky. As he paced to his record 2015, to wagen with his owner driving, it is thought he should succeed, great though the task imposed may appear.

At Philadelphis the marvellous show-ring winner, Lord Brilliant, who has 400 firsts and seconds to his credit, was defeated together with his tandem partner. Lord Goiden, by the Boston tandem, Hurrah and Elegance. Lord Brilliant at times is very vicious in the stable and the tanbark arena and on Monday balked and plunged savayely when competing for the coveted blue ribbon. The winners are hackney-bred and from Eben D. Jordan's great Plymouth. Stud. Seldom is Lord Brilliant defeated, yet he has served now throughout several seasons.

At the Blue Front sales stable to-day there will be auctioned 125 high-class trotters and pacers ranging in speed from 207 records to the 2 10 line.

The inaccuracy was discovered only a few minutes before the final heat, but as there were only Harvard men in the race the matter was hushed. Yale men, however, got wind of the mistake and there was a kick.

The Eil partisans loudly asserted that the referee, E. E. Babh, President of the A. A. U. favored the Crimson athletes and as a result of the bad feeling stirred up at the meeting an open rupture between the two universities is expected. Vale men were emphatic in stating that they would never again agree to a Boston man as referee.

TRI-COLLEGIATE LEAGUE ENDS. Williams Follows Wesleyan in Shutting Out Amherst.

WILLIAMSTOWN, May 27. - Late last evening the Williams Athletic Council acted in concord with Wesleyan in decisively severing all ath-letic relations with Amherst College. The action of Williams and Wesleyan brings the tri-collegiate league to an immediate end, and is the culmination of a long series of conflicts with Amherst Four Williams-Amherst ball games, two Wesievan-Amherst ball games and the triangular track meet are thus summarily cancelled. This action was taken as a result of Amherst's announcement that she would withdraw from the league at the end of the present basebali season on account of the disqualifi-cation of Kane, her pitcher, for professional-
